## President's Message

Welcome back everyone! It seems like ages since we have all been together! I am ready for the fall - cooler weather, fall colors and hopefully lots of rain. Barbara Tellman has been working hard all summer and has put together a wonderful list of speakers. Chris Hansell already has some field trips planned and Dave Faoro and Saul Wiseman are working on the grants. Our club never seems to rest!

Rob Littlepage, one of our members, will do today's presentation on the Weimar Institute Trails: A Natural History.

Our first garden visit for lunch will be at the Rock Creek Elementary School, 3050 Bell Rd. We will get to see all the hard work the kids have been doing with our grant money. I hope all of you are ready to "jump in" to help with all of our committees and events. It truly takes all of us to make our club great!

- Erin Angulo, President

## Field Trip

Mark the date! On Thursday, October 27, at 3:30 p.m., we have the opportunity to visit the Foothill Roots Farm in Meadow Vista. Patrick and Diane Bollinger will speak at the October meeting on Monday, then we will visit their farm that week. They have a 150-acre farm and produce many crops. I will be out of town for the September meeting so will not announce it there. The address of the farm is 17565 Placer Hills Rd., Meadow Vista. We will meet at the farm.

Please let me know if you will be able to go. I can be reached at [530-878-7350](tel:530-878-7350).

- Chris Hansell, Field Trips

## New Yearbooks

The new yearbooks are at the printer, and with any luck, they will be ready for the meeting on September 26! If you have had any changes that you haven't told me (address, phone number, etc.), today would be the day to tell me!

I will not be at the meeting, but will send them in with Joyce to be distributed. If you are not at the September meeting, I will bring them again to the October meeting.

- Karen Sullivan, Newsletters & Yearbooks
