## President's Message

Welcome back to all!

It seems like such a long time since we've all seen each other. I have been busy sending out LOTS of emails – I am sure you noticed! The weather has been extremely HOT this summer. I hope your plants made it through the heat. Some of mine did fine but others didn't make it. I am looking forward to cooler weather, fall colors, RAIN and getting my fall seeds in the ground.

Thanks to all who have stepped up to run committees and volunteered to have the club to their home after our meetings. Many hands make light work! Just a reminder, if you have an interesting idea for a field trip let us know!

See you all soon and happy gardening!

Erin Angulo, President
